

CALL FOR BOOK REVIEW PROPOSALS for Science, Technology and Society: An International Journal

2018-August-8 v.5

Science, Technology and Society: An International Journal was looking for scholars to write a review of a new book (originally with a rolling deadline December 31, 2018). Many new book review proposals were considered. The US Book Review Editor is no longer considering book review proposals at this time.

Thanks,

Logan Williams
